LAGER & HURRELL

ORCHID GROWERS AND IMPORTERS

OLDEST COMMERCIAL ORCHID HOUSE
IN AMERICA

SUMMIT, N. J.

Phone, Summit 6-1792

Special Offering, No. 91

We take pleasure in handing you herewith Special Offering No. 91, consisting of a number of varieties of Orchids all of which are of flowering size. The prices have been adjusted so as to meet the conditions of the present time.

In ordering please refer to List number and plant number in the left margin.

For other varieties of Orchids not here listed, as well as for materials such as Osmunda Fibre, Live Sphagnum Moss, Orchid Baskets, Books, Pothangers, etc., write us or refer to Special List No. 82.

Trusting to be favored with your orders, we are,

Very truly yours,

LAGER & HURRELL.

—0—

The undermentioned plants are from a private place. We have been asked to sell them at very low prices as the plants have outgrown the space.

- 354—Coelogyne Dayana, magnificent specimens. Each plant a show in itself, producing a number of long pendant spikes of flowers and offered at less than half price. These specimens in 12" pans or baskets, full, for ----- \$ 25.00
- 355—Coelogyne Massangeana, fine specimens in 10" baskets, full, for 20.00
The description of C. Dayana applies to these also. Both would be fine for private or public conservatories where something striking is required. Only a small number of plants available.
- 356—Laelia Anceps, fine plants grown on wood blocks with 8-10 bulbs 3.50
- 357—Laelia Anceps, fine plants grown on wood blocks with 10-14 bulbs 5.00
